Sexiest Feature:

My legs. They're long, tan and toned. I've done quite a lot of leg modeling.

I'm a professional circus performer and model. I travel around the world performing and I'm never in one place for too long. I'm a contortionist, which basically means I'm extremely flexible. My hobbies include sitting on my head and balancing on my hands. I love being outside, especially at the beach. I'm a VERY goal-driven and confident person and I don't like to waste time. I'm a bit of an adrenaline junkie and I have a tendency to pull the people around me into my wild ideas. I know I'm charming and I use that to my full advantage. I'm a lot to handle, but at least I'm never boring.

I'm a curly blonde 22-year old model based out of Jacksonville, FL. I have been a freelance model since 2016 which has been a great accomplishment since it was a childhood dream. I have been published in editorial pieces overseas, but being published on the cover of Hunnie Magazine will help me immensely by expanding my image to fans and photographers in the glamour nude genre of this industry which will, in hopes, bring me more publication and booking opportunities in the future.

I'm a 21-year old model born and raised in Colorado. I never thought I would end up being a model until someone saw my potential and it all went on from there. I really did find a new way in life with my modeling career and I've never been more happy or proud of myself for putting all this hard work into something I love.

Sexiest Feature: I think my sexiest feature has got to be my eyes, or definitely my booty!
Haha

My name is Rosydarling and I'm a part-time model from Seattle. Growing up I loved dressing up and having my picture taken, which got me into modeling when I got a little older. I am very proud of the work that I've done and am always very eager to start new projects. When I'm not modeling, I am working my butt off as a full-time chef and cat mama. I enjoy comic books, video games, reading, riding my bike, taking naps and going to local shows.

I'm fun, crazy, loving and outgoing! Not sure if that's a good combo, but hey, it's me! Being a model has definitely helped me fully come out of my shell and be who I am. I love to party (too much sometimes), but relaxing and laying on the beach can be just as enjoyable. Photographers, if you're looking to book me, you can message me on my Instagram @crazy_blonde.
